

Invitation BeNe Cup

The organization of the BeNe Cup warmly invites you to the second **BeNe Cup**. The competitions will be on Saturday the 15th and Sunday the 16th of November 2014 in Eindhoven at the Pieter van den Hoogenband swimming stadium in Eindhoven. The same pool as where Rescue 2016 will be held. On the 2 competition days the 6 individual and 4 team pool events will take place.

The plan for this competition was born from the need to offer foreign teams the opportunity to participate in 2 main competitions in one week, but also to raise the quality of existing competitions in The Netherlands. The competition is one week before the European Pool Cup in Warendorf. Teams from other federations can make one major trip with only a minor transfer between two main events. International teams can use the training facilities during their stay in Eindhoven in between the two competitions before traveling to Warendorf.

The competitions will consist of the following events:

200m obstacle swim
4 x 50m obstacle relay
50m manikin carry
4 x 25m manikin relay
100m manikin tow with fins
100m manikin carry with fins
