## COMPETITORS AND TEAMS

The International Oceanman Festival is open to all I.L.S. members and F.F.S.S. members, whatever their age.

### INDIVIDUAL EVENTS

All events will be raced in a single age category "open". All under 18 competitors should provide an authorization of their club manager and they should come with an adult.

### TEAM EVENTS

In a team, the number of competitors is not limited. However, a team cannot present more than 3 relays par event. The team could represent a city, a region, a nation, a selection between competitors from different clubs or countries. She should have a precise name and a responsible captain. A team can engage different relays on several events. A male/female relay will compete in an event with the male relays.

## REGISTRATION

Each competitor must pay a 20 euro fee to race the event. Entry fees and engagement forms should be returned to Hossegor Sauvétage Côtier before the 24<sup>th</sup> of april 2009. Late entry fees will be raised by a 10 euro penalty.

## EQUIPMENT

Competitors will make sure they have the necessary equipment before entering the event. Each club will organize the equipment rotation among it's teams to avoid disturbing the competition. Equipment problems shouldn't late the race. Equipment must meet the standards approved by I.L.S. Competitors shall wear identical team swim caps. These swim caps securely fastened under the chin must be worn at the start of each event. The team lycra tops are recommended but not compulsory during the event.

## CLASSIFICATION

There will be a classification and a podium for each individual and relay event. By the end of the competition, the overall scored points will determine the females, males, female teams, male teams and teams that have been the most regular during the competition.

**General classification individual females and males** : It will be established by adding the points earned by each lifesaver during individual events to determine the best female and male lifesavers.

**General classification female and male relays** : It will be established by adding the points earned by each team during relays events to determine the best female and male teams.

**General classification interclubs** : It will be established by adding the points earned by each lifesaver during individual and relays events to determine the best teams.
